KINGDOM PURPOSE

From the Principal's Pen

As we come to the close of the second month of 2026, we are reminded of our theme for this year: *"Seeking God's Kingdom and His righteousness in all that we do"* (Matthew 6:33). This verse continues to anchor our hearts and guide our mission as a school community.

I have had the privilege of personally witnessing our vision unfold before me.

At JCA, we exist to guide students in discovering God's Truth—because it is His Truth that sets us free. When we, as parents and educators, intentionally lead our children toward the truth found in God's Word, we are doing more than teaching lessons; we are actively building God's Kingdom in their hearts and lives.

General News and Announcements

- Report cards of learners whose school fees **are not up to date** can be collected by Parents at the school office once school re-opens for term 2. All school fees including April will then need to be up to date.
- In order for a learner to start Term 2, **please remember that all school fees including April needs to be up to date**. Learner's whose school fees are not up to date will not be allowed to attend classes.
- Please note that we have instructed our clothing supplier, Overkruin Outfitters, to discontinue the JCA caps. We will be transitioning to a navy-blue cricket-style hat with the JCA logo printed on it. We kindly ask that you do not purchase any alternative hats at this stage. Further communication will be sent once the new hats become available. In the meantime, the current caps will still be available for purchase while stock lasts.
- We would also like to encourage parents of girls to consider purchasing skorts instead of skirts. This update will be reflected in our 2027 prospectus.
- Please note that all school fees must be paid into the FNB School account.**
