From the Principal's Pen

As we move through Term 2, I would like to express my sincere gratitude to every parent and family who continues to sow into the vision and heart of Jabulane Christian Academy. Your support, prayers, encouragement, and partnership, makes a meaningful difference in the lives of our learners and staff each day.

This term, our memory verses remind us of the importance of serving with joy, humility, and love. It is through serving one another that we reflect the heart of Christ and strengthen our school community. Thank you for walking this journey with us and for being part of what God is doing at Jabulane Christian Academy.

As we now move towards the examination period, I pray that every household will experience the peace of God that surpasses all understanding. May our learners approach their exams with confidence, diligence, and calmness, knowing that their hard work and preparation matter.

Extra Curricular News

Throughout the term our learners took part in different Extra Curricular activities. Including Chess matches, Soccer matches, Netball Matches and the ATKV Choir Competition. These opportunities are excellent ways for our learners to learn more about their sport and culture activities. Enjoy some photos of these events.

Ascension Day

Ascension Day was celebrated with great joy and reverence at JCA on Thursday 14 May as learners and teachers gathered together to remember the ascension of Jesus Christ into heaven. The special assembly included our choirs singing, Scripture readings, prayer, and a message explaining the meaning of this important event on the Christian calendar.

Ascension Day is celebrated forty days after Easter and reminds Christians that after Jesus rose from the dead, He returned to heaven to be with God the Father.

It is an important day because it gives believers hope and reminds them that Jesus is alive and reigns as King. It also reminds Christians of Jesus' promise to always be with His people and the coming of the Holy Spirit. Throughout the celebration, learners reflected on the importance of faith, obedience, and sharing God's love with others. The day was a meaningful opportunity for the school community to grow spiritually and to celebrate the hope and joy found in the Christian faith.

Classroom activities and trips

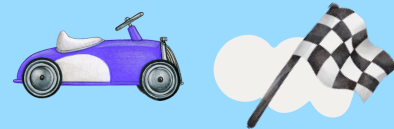

Throughout this term, learners at JCA experienced a lot of practical learning. The Gr 4-7 Learners visited the Sci-Bono science centre and gained practical experience with scientific experiments. The Gr RR-3 learners had the opportunity to learn about space with the help of 3D technology.

Many of our teachers also use a lot of practical, concrete learning in the class. This enables learners to better understand and process the required curriculum work.

Soap Box car Race 2026

Soap box car race 2026 was the biggest yet since it's original start at JCA in 2021. This is our largest fundraising event for the year and we are happy to say that we received a lot of full envelopes. Thank you to all the parents who worked hard to help the learners raise money.

Thank you to Clubmaster, Clickon and SPUR Thunderbay for sponsoring aspects of the event. We also want to thank the Purdue team who facilitated the day. We are also thankful for our Interns David and Addison Carter who helped with all the announcements and first aid. The winners for the different categories are as follow:

Deloitte Playground Makeover

On Tuesday, 19 May, 91 employees from Deloitte, Midrand Office, descended upon the Gr R & I Playground, armed with enthusiasm, paint, and a lot of elbow grease. As part of their volunteer day, they decided to bless JCA with a much needed makeover of the Gr R & I Playground. The jungle gym was sanded and varnished. The swings, ropes and other climbing apparatus were replaced or repaired and the sandpit was finally finished and painted. The team also planted some flowers and painted games on the walkways.

Thank you to Deloitte for this gift. Our little learners will enjoy this for a long time to come.

- Counterfeit School Uniforms** – It has come to our attention that there is another supplier that is embroidering school uniforms. This a copy right infringement and it is very obvious which uniforms were embroidered by this person. It is especially a problem with jerseys and tracksuits. The fabric used for the tracksuits are also not our standard school uniform. **As of Term 3, none of these items will be allowed. Only items purchased from Overkruin will be allowed.**
