JABULANE CHRISTIAN ACADEMY

GRADE 2

2027 STATIONERY REQUIREMENTS

- Although it is advisable for items to be purchased by the start of the school year, items marked with an asterisk (*) may be purchased per term.
- Supplies purchased at the start of the year can be safely stored by the teacher.
- Parents will be notified when their child's supplies are running low. Parents are kindly requested to also check their child's pencil bag regularly to see if any items need to be stocked up. The stationery listed is what is reasonably expected. If learners break or lose stationary, then Parents will be required to buy more.
- All items (individual pencils, scissors, erasers, sharpeners, etc.) are to be clearly marked with the child's name.
- Please keep a separate set of stationery at home for learners to use for homework. Pencil bags will remain at school.

Books:

- Please cover the exercise books with brown paper before school starts and send the covered books to school. In class, a cover page will be pasted onto the brown paper, where after books will be sent home again to be covered with plastic.
- All textbooks need to be covered with thick plastic within the first week of term 1.
- Learners should please keep the dictionaries that were used in grade 1 to also use in grade 2.
